# Espirit

5 colour designs

New control method saves hot water and thus energy

**-45%**

Smart aerator reduces water consumption, but not the level of comfort

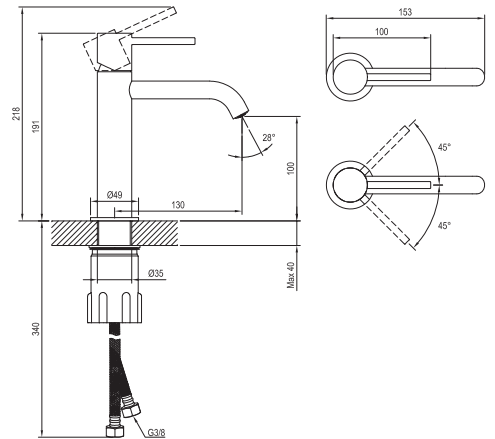

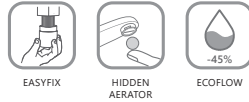

## Harmoniously rounded shapes and nothing to disturb

Craftsmanship excellence and utilitarian design that precisely matches function. The essence of the ESPIRIT faucet has become the shape of a cylinder, elevated to a work of art that will be enjoyed for generations to come.

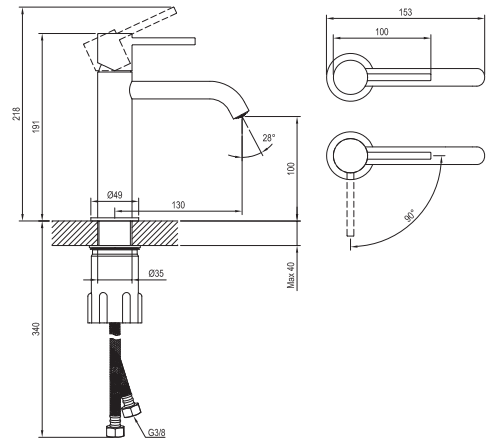

### Don't miss

1. Standing washbasin faucets have 25 mm ceramic cartridge and flexible 450 mm connecting hoses with a thread diameter of G3/8.
2. The faucets can be color-matched with the accessories - washbasin waste plugs and waste trap, angle valve, bathtub waste set with Bowden control and shower tray siphon.
3. Concealed faucets have the code of the compatible R-box in their product name, so you can't go wrong when choosing one.
4. Washbasin standing faucets are also available in the BeCool variant, which saves hot water consumption by releasing only cold water when the lever is moved upwards in the middle position.
5. Faucets ES 065.00.O2.RB07D.+S ES 068.00.O3.RB07D.+S include a set - hose, hand shower and integrated shower holder.

Flow rates ES 068.XX.O3.RB07D.+S: hand shower/outlet 2/outlet 3

The flow rate is given in l/min at a pressure of 0.3 MPa. Products are delivered within 14 days as standard. Prices are quoted in EUR.

# Eleganta

5 colour designs

New control method saves hot water and thus energy

**-45%**

Smart aerator reduces water consumption, but not the level of comfort

## Touch the subtlety and elegance

Eleganta is a combination of craftsmanship and Italian design. The fluidity of water meets the stability of metal. The gentle roundness of the arm with the strength of the body. And a distinctive solid lever with an invisible aerator.

### Don't miss

1. Standing washbasin faucets have 25 mm ceramic cartridge and flexible 450 mm connecting hoses with a thread diameter of G3/8.
2. The faucets can be color-matched with the accessories - washbasin waste plugs and waste trap, angle valve, bathtub waste set with Bowden control and shower tray siphon.
3. Concealed faucets have the code of the compatible R-box in their product name, so you can't go wrong when choosing one.
4. Washbasin standing faucets are also available in the BeCool variant, which saves hot water consumption by releasing only cold water when the lever is moved upwards in the middle position.
5. Faucets EL 065.00.O2.RB07D.+S EL 068.00.O3.RB07D.+S include a set - hose, hand shower and integrated shower holder.

# R-box

Integrated spirit levels to simplify installation

Great fitting flexibility up to 37 mm

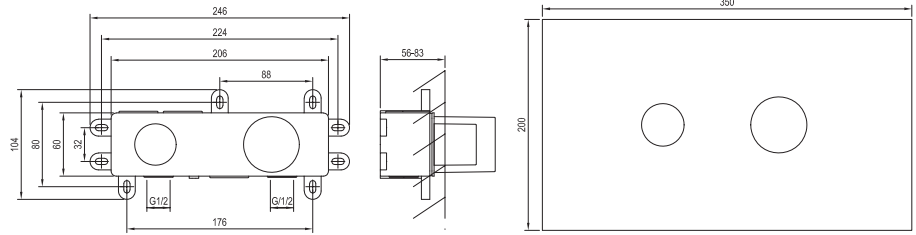

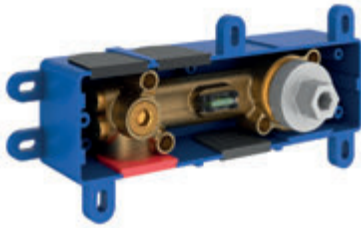

Waterproofing collar included in the product

## Basic unit for concealed faucets

The optimal solution for easy and precise installation of concealed faucets with water distribution to one, two or up to three points.

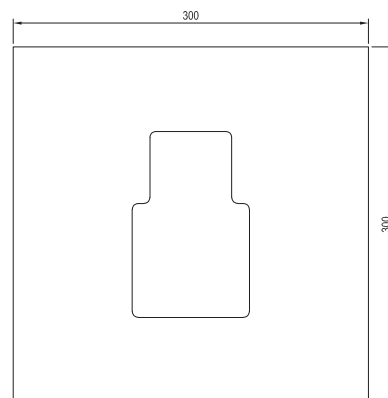

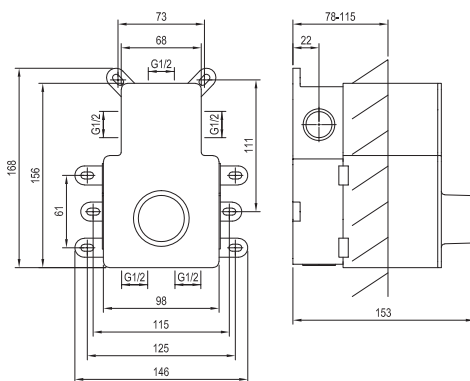

### Important

1. Each concealed faucet has the name of the corresponding R-box at the end of its product designation, so you can't go wrong when choosing one.
2. We provide a 10-year warranty on the basic R-box body.
3. The top view part (the faucet itself) is installed only after the bathroom is completely finished.

# Showers and accessories

To be combined with the colored versions of the Espirit and Eleganta faucets.

EasyClean ensures simple cleaning of the nozzles from limescale

OneHand is a one-handed sliding system for the hand shower holder

## High quality workmanship

Quality materials and chrome plating ensure a long service life

---

### Don't miss

- 1.** The Air function allows air to be drawn into the shower. This provides a more pleasant feeling of water impacting the skin while saving water at the same time.
- 2.** The shower hose has an EasyTwist function that prevents the hose from twisting by allowing the shower head to rotate freely.
